

Quick Release Net Fixing

Slide the net fixings into the slot on the rear of the aluminum goalpost extrusion and twist ninety degrees to secure. Position the fixings not more than 340mm apart to conform to the latest goalpost safety standards. These fixings will fit into most aluminum goalposts with rear slots. The recessed net fixing is designed to be left in position on the goalposts and nets are simply slotted into the middle of the clip and rotated ninety degrees to hold the net in place. To remove the net just twist sideways ninety degrees and lift out. Fast easy quick release net fitting.

Fitting Instructions

Note: If the net is to be permanently attached to the goal we offer a different Slot fittings, visit itsagoal.net for more information.
